GUIDELINES

Equipment should be cleansed by users, parents, guardians, and carers, particularly where there are clear touch points such as swing rockers, see saws, machine handles or exercise bars

Users of the outdoor gym equipment are requested to bring their own towel and hygiene products and wipe the equipment down after use

Parents are requested to bring hand sanitiser gel or wipes to clean their children's hands to encourage hand hygiene. Particularly at the beginning and end of play to advise users (or parents of users) not to touch their faces. Users, parents, guardians, carers to observe the need for social distancing.

It is requested those using the play area to only have 1 family member accompanying a child to promote social distancing, including for parents, carers or guardians who might push children on swings
