<p>8</p> <p>8.1</p> <p>8.2</p>	<p>Any Other Business</p> <p>Councillor Parker commented that there was no agenda item on allotments where members could raise any issues or concerns they may have. It was pointed out that there is an allotment holder’s question time scheduled prior to each Environment Committee and the Information Report contained some updates on allotments. If anyone has an issue to raise they should do so via the Town Clerk which is the correct procedure.</p> <p>Councillor Parker also queried why Blyth Smallholdings and Newsham and New Delaval receive 25% management fee. The Town Clerk will provide a report for the next Committee.</p>

	<p>Councillor Parker said there should be an agenda item for the Partnership Working Group to allow members to raise any issues they have as the Partnership Working Group cannot make decisions. The Town Clerk reminded Committee that all members can attend working groups and participate in discussion.</p> <p>If anyone have a specific issue this should be raised with the Town Clerk in the first instance and he will contact NCC.</p> <p>A detailed discussion took place around the fact that NCC are still using old vehicles in Blyth. It was noted that as discussed at the Partnership Working Group, NCC could not get the lease in place for new vehicles until the Partnership Agreement was signed therefore there would be some delay before they would be in use. What will be reflected is the difference between vehicles when BTC make the first payment of the agreement in September. The Town Clerk and Deputy Town Clerk will address this through financial monitoring.</p> <p>A question was asked as to why BTC stickers are not on the vehicles. This is something that will be raised with NCC.</p>
<p>9</p>	<p>Date and Time of Next Meeting</p> <p>The next meeting of the Environment Committee will be held on Tuesday, 30 July 2019 at 6.30 pm in the Council Chamber, Arms Everytne House.</p>
<p>10</p>	<p>Part II</p> <p>Pursuant to the Public Bodies (Admission to Meetings) Act 1960; that in view of the confidential nature of the business about to be transacted, it is advisable in the public interest that the press and public be excluded and they are instructed to withdraw.</p>
