

## So what's next?

Help a young person who has no one to ask.

*Could you offer short-term lodgings and support to a vulnerable young care leaver?*

If you have a spare room and some time to help, you could make a huge difference.

A young person who is homeless or threatened with homelessness may not have the experience, confidence or life skills to take the next step to find safe accommodation and begin independent living.

It doesn't matter whether you have a family, live alone or with a partner, and are employed or not. You can help a young person to move forward at a crucial time in their life. So whatever's next, they're better prepared.

In return, Barnardo's offers weekly payments and ongoing training and support.
