

**BLYTH TOWN COUNCIL**  
**Environment Committee**  
**Thursday 21 September 2023**  
**Delegated Action**  
**Chestnut Avenue Play Area**

**Picnic Bench x 2**

The ward County Councillor has been approached by the residents' group, The Forget Me Nots, about having benches installed on the grassed area next to the play area, like those next to the North Farm Play Area.

Those benches, at North Farm, are made from wood and are still in good condition, but from an environmental point of view the use of recycled plastic would be preferable and they are cheaper than wooden benches.

The cost of the Picnic Benches will be met from NCC Councillor Richardson's MLIS fund and ongoing maintenance will be carried out by Blyth Town Council.
