

BLYTH TOWN COUNCIL

Environment Committee

Tuesday 30 May 2023

Decision Report 4

Funding Contribution

Recommendation

The Committee RESOLVE to agree to accept the contribution of £10,000 from County Councillor W. Ploszaq towards the new play area in his Kitty Brewster ward which would either be a contribution to balances or enhance the play area which would be a renegotiation with the successful contractor.

Ward

Kitty Brewster

Risk Management

The contribution would help to further enhance this project.

Objective

To promote the environmental, social, and economic wellbeing of the town and its community. One way this can be done is by the provision of Play/Sports Areas to create a facility for children/teenagers, up to mid-teens, to both learn and play within a secure environment.

Report

Members of the Environmental Committee have agreed to proceed with the installation of a play area at Kitty Brewster following a successful consultation exercise being carried out. The process has moved to the next step as the contract is now on the Contract Portal for tenders from play area suppliers.
